YOUR PARTNER IN EARTHMOVING
PARTS

Catalogue

About Our Company

A supplier of new and replacement parts for the earthmoving industry. Over the year, we have built a reputation for being trustworthy and highly competitive within this field. Our success is backed by a team of experienced staff who are knowledgeable and dedicated to providing the best service possible.

Primary focus is on delivering consistent service levels, which has driven us to expand our range of quality parts and ensure they are always available to meet our customer needs. Many of our parts come from the same sources as the original equipment manufacturers (OEMs), their quality is trustable and reliable.

WE stand strong by the quality of our parts, Our goal and vision is to help our customers repair their machines rather than scrapping them, extending the lifespan of their equipment and ensuring they get the best return on their investment

Our Mission

Our mission is to lead the market for new and used quality replacement parts in the earthmoving industry, always aiming to satisfy our customers.

We focus on developing new product lines, offering high-quality parts at affordable prices, and providing a warranty on all products.

We manage a large, reliable supplier database to meet all customers' needs and maintain a substantial inventory within our warehouse. Our enthusiastic staff, possess great product knowledge, backed by our reliable customer service.

We are committed to growing our customer database and adopting a proactive approach to maintain leadership in the industry. All repairs offered are adhered to OEM specifications, ensuring the best quality. We constantly motivate our employees to help grow and realize our company vision.

We do Import & Exports

We specialize in providing both new and used replacement parts, ensuring that you have everything you need to service and repair your machines at an affordable price. Additionally, offering genuine OEM parts to guarantee the highest quality for your equipment.

Based in South Africa, we take pride in efficient operations, which allow us to dispatch orders within a swift turnaround time of just 24 hours. OUR goal is to keep your machines running smoothly without unnecessary delays. Your Trust in our vision motivates us to be your reliable partner in maintaining your valuable equipment.
